STUDENT STATEMENT

Student Name: Kamal Pessan

Please describe the incident(s). Make certain to include as much detail as possible regarding full names (first and last), location(s), date(s), day(s) of week, and time(s).

Receiving a math test back, Mr Swamley called over my grade to the class. After saying in front of my peers, "20, a C-, I unintentionally say "FUCK!" It was a reaction. After two peers both with a combined IQ of a cantaloupe star chuckling, I intentionally tell both "Fuck you." Swanky escorted me to the math office where an SRO guided me to the counseling office. "All the teachers are out to fucking get me" They are idiots they dozer,

Peers names I told off are: [redacted] and [redacted]

Are there other people we should speak to?

SURE, [redacted] & [redacted]

Is there any reason why the school district should not use your statement in a disciplinary proceeding regarding another student?  yes  no

If yes, what is the reason? My peers have often pushed me and while I have put it away, one outburst for a decade of hell is unfair

By signing this statement, I hereby certify that the above information is true and correct to the best of my knowledge.
