Dear Colleagues:

Thank you for your work with students and families during the last few days.

As you know, our district website and consequently all of our school websites crashed last Friday. We are in the process of bringing these websites back up. We are limiting editing access at this time. Thank you for being patient with us during this process.

We would also like to take this opportunity to remind you of the district's protocols around requests for information. Any request for information from a source outside of Littleton Public Schools (media, social media, parents, community agencies) should be forwarded to the LPS communications office:

dleiker@lps.k12.co.us  
likard@lps.k12.co.us

Again, we thank you for all you do.
